

Erewash Core Strategy Review Examination

Draft Hearings Programme V5

This document sets out the revised programme of hearing sessions for the examination of the Erewash Core Strategy Review. Further information about the examination, hearings and submission of written statements in response to Matters, Issues and Questions has been published alongside this programme.

Only people who are seeking to change the Core Strategy Review and have made duly made representations have a right to participate in the hearing sessions. However, people will be able to observe the hearings.

The programme sets out which topics will be discussed on each day. Participants can only speak at a session if they have made a representation seeking a change to the Core Strategy Review relating to that topic.

Each hearing session will be topic based, not necessarily by policy number. Participants should therefore check that they have been allocated the correct session. Please contact the Programme Officer if you are unsure.
