

Late submission – 21 February 2024

Mr Chris Hind

Rep i/d 1906

HS/Spondon 6.5

The location has been logged with Derbyshire Biological Records. I can confirm that this is on land bordering the proposed SGA26 Land South of Spondon Wood. There have also been historical sightings in other gardens bordering this land south of Spondon Wood.

These photographs were taken on 15/02/2024.

Chris Hind
