**Subject:** ERE/0722/0038

Dear Planning,

I would like object to this planning application please.

My objections are on the grounds of over intensification of urban build in a rural setting. Application ERE/0722/0038 is for the number of houses to be up to 196. If this is to be added to the already proposed nearby large development of some 1300 houses, this will constitute the over intensification I speak about, and compromise the whole nearby area turning it into an unacceptable urban sprawl with little respite in terms of green breaks.

Regards,

Councillor John Frudd,  
Erewash Borough Councillor,  
Kirk Hallam  
And Stanton By Dale Ward.
