Hi James,

Are you expecting comments back from Highways? Unless I have missed it, it is not in the pack of responses you have sent me.

Kind regards,

#### Good afternoon Josie

For your information, please find attached the responses from statutory consultees in relation to the above outline planning application.

We are also in receipt of 30 responses from local residents, all objecting to the proposal, on the basis of the matters summarised in the attached pdf.

Because of the number of representations made, the application can only be determined at Planning Committee. I anticipate that will happen at the meeting of 12<sup>th</sup> October 2022. That will be confirmed for you, and you will be advised of your opportunity to speak at that meeting, in due course.
